He was a frequent guest on the coast to coast with George Noory, with whom he wrote the 2011 book Talking to the Dead. I worked with Dr. Raymond Moody, who coined the term "death experience", in his 1975 best-seller life, who built a psychomanetum called the Dr. John Dee Mind Theatre in Alabama. Guiley appeared on NBC sightings; A & E the secret life of vampires; Is Angels: good or bad, who ran on the history channel; The lost ribbons and the persecuted for the animal planet; The Travel Channel's Witchcraft in Salem and Mysterious Travels; It is children of the grave, the possessed is and the haunted collector, who are all airing on the Syfy channel; And the search for the discovery channel: the lunar mysteries and William Shatner is weird or what. He also wrote the Companion Vampire Complete, published by Macmillan in 1994, the encyclopedia of vampires, werewolves and other monsters. You can see a list of supported browsers in our Help Center. Guiley was well known to the communities he studied, including the scene of the first vampires. Please enable JavaScript or switch to a supported browser to continue using Twitter.com.
